...

The Ultima II cloth map cost about \$2 per unit. And the rest of the box (also first game in a box), cost \$3. So yeah... it was very expensive. Standard Ziplock games of the day cost under a dollar total. But the promise of a box and map was the reason I went to Sierra!

When I bought Ultima 5 with my high-school lawnmowing money it had an aluminum coin in addition to the cloth map! I really loved that swag.
